School Reopening – 06.10.2025

School reopened on 6th October 2025 after the rejuvenating Quarterly Vacation. Children returned to campus energised, refreshed, and recharged with full vigour, bringing with them bright smiles and renewed enthusiasm for learning.

The classrooms once again echoed with laughter and excitement as children happily reunited with their friends and teachers. Warm welcome activities helped them settle in comfortably, creating a positive and cheerful atmosphere. The reopening marked a fresh beginning, setting the tone for active learning, joyful participation, and new experiences in the days ahead.

After a pause to rest and renew, learning begins again with brighter spirits!

EDWISE College & University Fair 10.10.25

Right guidance at the right time shapes confident career choices!

The EDWISE team organised a College and University Fair in the school auditorium to guide students on higher education opportunities. Representatives from prestigious institutions such as Jain University, Chanakya University, FLAME University, and others participated. Students from Classes IX to XII, accompanied by their parents, visited the fair and gained valuable exposure to a wide range of courses and career pathways offered by reputed universities.

The fair empowered students with clarity, exposure, and informed academic direction!

Deepawa li Celebrations 15.10.25

Festivals enlighten minds when tradition blends with responsibility!

Deepawali was celebrated in a grand and meaningful manner. Class XI students took the lead in organising and decorating the venue. The gathering was addressed by the School Director, the Matric & CBSE Principals. Students delivered informative speeches on eco-friendly Diwali celebrations and safety norms related to bursting crackers

Colourful dance performances captivated the audience. The celebration concluded with the symbolic burning of the Narakasura effigy, spreading the message of the victory of good over evil. The celebration concluded with joy, awareness, and meaningful cultural values!

Joy of Giving Drive

True education begins with compassion and service!

As part of philanthropic activities, our students contributed the Joy of Giving Drive. An amount was generously donated to SEEDS HOME on 16 October 2025 in the presence of the School Director, instilling values of compassion, empathy, and social responsibility among students.

The initiative strengthened students' sense of empathy and social responsibility!

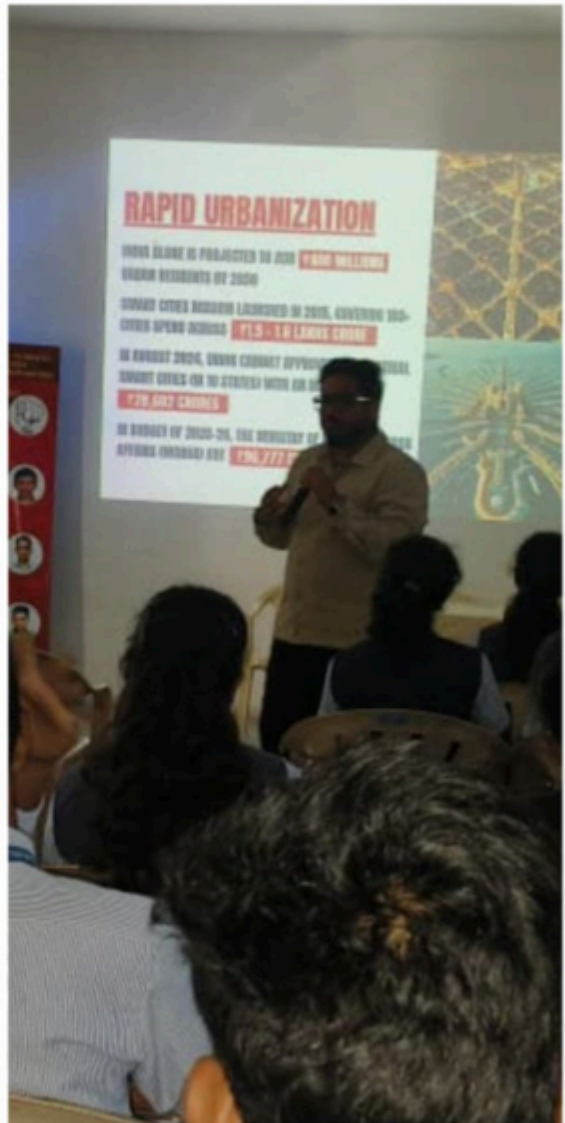

Orientation Programme – Chanakya University 16.10.25

**Awareness today prepares students for tomorrow's
professional world!**

Senior secondary students attended an orientation programme conducted by Mr. Mario Pradeep Joy, Regional Manager, Chanakya University. The session focused on the expectations of the corporate sector in the present scenario. Students actively participated in the interactive discussion and gained valuable career insights. The session offered valuable insights into corporate expectations and career readiness!

Viksit Bharat Buildathon

Innovation becomes impactful when young minds create with purpose!

The programme highlighted students' creativity, technical skills, and national vision!

Our students participated enthusiastically in the Viksit Bharat Buildathon, creating innovative models and mobile applications. The project videos were uploaded on the school's official website and YouTube channel.

The achievement marked a proud milestone in our students' academic journey!

SOF Olympiad Examinations

Competition encourages curiosity and excellence!

The SOF Olympiad Examinations were conducted successfully for all registered students, encouraging competitive spirit and academic excellence.

The examinations motivated students to explore learning beyond textbooks!

Excellence is not a skill, it is an attitude nurtured through consistent effort.

The SOF Olympiad Examinations were successfully conducted on our campus, providing students with a valuable platform to showcase their academic potential at a national level .

Our enthusiastic learners actively participated in the following examinations:

IEO – International English Olympiad

IMO – International Mathematics Olympiad

NSO – National Science Olympiad

ISSO – International Social Studies Olympiad

The participation of our students in these prestigious examinations reflects their commitment to academic excellence and their eagerness to challenge themselves beyond the classroom. We appreciate the efforts of all participants and encourage them to continue striving for higher achievements.

Half-Yearly Examination

Assessment reflects progress and preparedness!

The Half-Yearly Examination was conducted smoothly from 02 December 2025 to 12 December 2025, maintaining academic discipline and assessment standards.

The examinations reinforced academic discipline and learning outcomes!

Educational Field Trips

Learning becomes meaningful when classrooms extend beyond walls!

Classes XI & XII—Cochin (13 December 2025)

An enriching trip was organised offering a perfect blend of learning, culture, and recreation.

Students visited Hill Palace, Cochin — insights into Kerala's royal heritage, art, architecture, and history.

Fort Kochi — explored historic streets, colonial architecture, and iconic Chinese fishing nets.

LuLu Mall — refreshing recreational experience with exposure to modern infrastructure.

The trip was both informative and enjoyable, creating lasting memories!
