T.E.A. VISION PETALS OF PROGRESS

**JANUARY - MARCH
2025-2026**

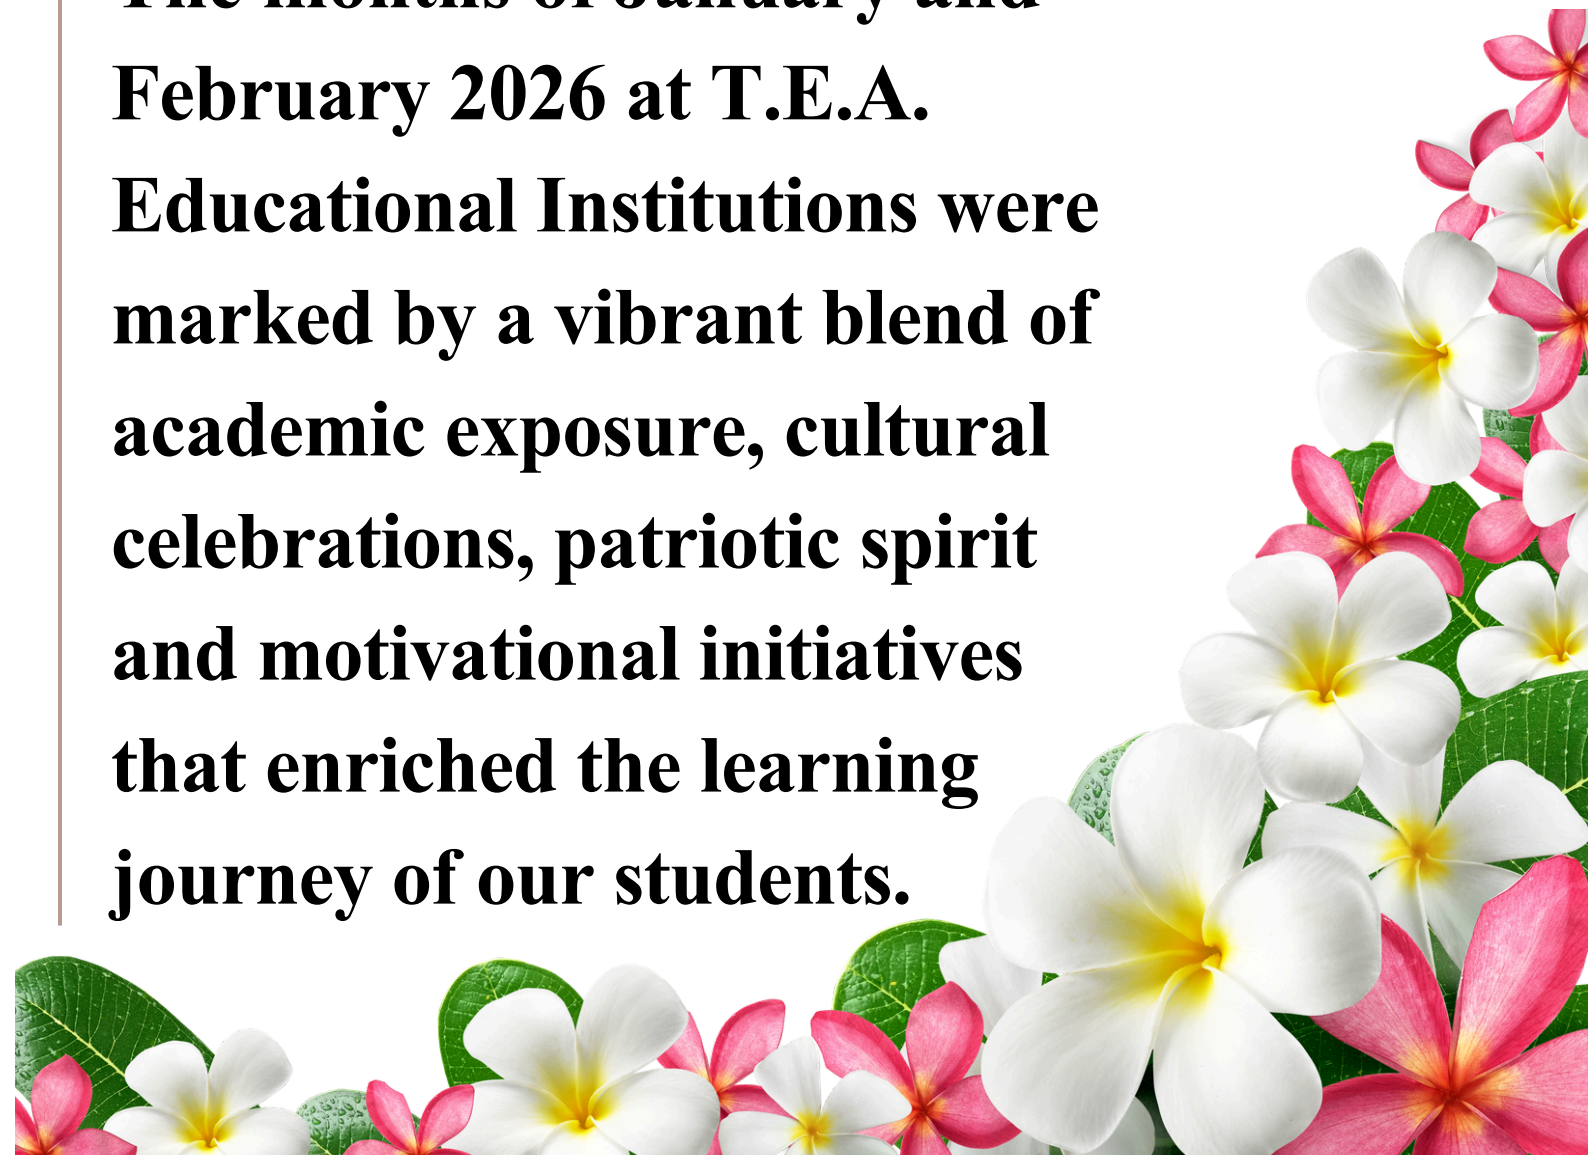

TERM - III JOYFUL JOURNEYS

**Education is not the filling of a pail,
but the lighting of a fire!**

**The months of January and
February 2026 at T.E.A.
Educational Institutions were
marked by a vibrant blend of
academic exposure, cultural
celebrations, patriotic spirit
and motivational initiatives
that enriched the learning
journey of our students.**

DIRECTOR'S INSIGHTS

EDUCATION IS NOT MERELY ABOUT ACQUIRING KNOWLEDGE; IT IS ABOUT SHAPING CHARACTER, NURTURING VALUES, AND INSPIRING YOUNG MINDS TO DREAM AND ACHIEVE.

As this academic term draws to a close, it is heartening to witness the remarkable growth of our students in confidence, discipline, and curiosity.

Our school continues to strive towards creating an environment where learning is joyful, meaningful, and transformative. The achievements and progress of our students reflect the dedication of our educators and the trust placed in us by our parents. To our graduating students, remember that learning is a lifelong journey. Step forward with courage, integrity, and compassion, and continue to pursue excellence in all that you do.

On behalf of the management, I extend my sincere appreciation to the principal, teachers, students, and parents for their commitment and collaboration. May the coming days bring new opportunities, inspiration, and success to each one of you.

**With profound appreciation and best wishes,
Ms. Dorothy Rajendran
Director, T.E.A. INSTITUTIONS**

PRINCIPAL'S REFLECTIONS

As we come to the close of another enriching academic term, we pause with gratitude and pride to reflect on the journey our students, teachers, and parents have undertaken together. Term III has been a time of learning, growth, achievements, and meaningful experiences.

Our students have shown remarkable enthusiasm in academics, co-curricular activities, and various school events, demonstrating not only knowledge but also creativity, teamwork, and resilience. Each milestone achieved is a testament to their dedication and the constant encouragement from our committed teachers and supportive parents.

To our graduating students, as you move forward to the next chapter of your journey, carry with you the values, confidence, and curiosity nurtured during your time here. May your paths be filled with purpose, courage, and endless possibilities. We thank our entire school community for their unwavering support and partnership throughout this term. Wishing everyone a restful break and a future filled with continued success and joy.

With sincere appreciation and warm regards,
Ms.Bhuvaneshwari.R.
Principal

Edwise World Education Fair January 2026

**THE FUTURE BELONGS TO THOSE WHO
PREPARE FOR IT TODAY!**

Students were given a valuable opportunity to explore global education prospects at the Edwise World Education Fair 2026, held on 24 January 2026 at Residency Towers. The fair brought together representatives from renowned universities across the world, including Imperial College London, National University of Singapore, Technical University of Munich, and University of Nottingham. Students interacted directly with university representatives and received guidance on courses, scholarships, visa procedures and educational loans, gaining first-hand insight into international higher education opportunities.

**The fair broadened students' horizons and inspired
them to dream beyond borders**

PONGAL CELEBRATION

**Culture is the heartbeat
of a community!**

The joyous festival of Pongal was celebrated with vibrant enthusiasm at the school campus. Students enthusiastically participated in traditional games, folk songs and lively dance performances, reflecting the beauty of Tamil culture and heritage.

THE FESTIVAL BEAUTIFULLY REMINDED EVERYONE OF THE RICHNESS OF OUR CULTURAL ROOTS.

The celebrations created an atmosphere of unity and joy, allowing students to connect with their traditions while celebrating the spirit of gratitude and harvest.

Republic Day Celebrations

26 January 2026

PATRIOTISM IS NOT JUST A FEELING; IT IS A RESPONSIBILITY!

Students of Classes VI to XII (CBSE & Matric) proudly represented the institution by participating in the Lezim Mass Drill at Chikkanna Government Arts College Grounds during the Republic Day celebrations on 26 January 2026. The event took place in the presence of the Hon'ble District Collector and showcased the students' discipline, coordination and patriotic spirit.

The celebration instilled pride and reaffirmed the values of unity, responsibility and love for the nation.

KNOWLEDGE IS THE PASSPORT TO THE FUTURE, FOR TOMORROW BELONGS TO THOSE WHO PREPARE FOR IT TODAY

We are proud to share that our students participated in the JCI General Knowledge (GK) Examination, a prestigious State-Level Examination, aimed at enhancing awareness, analytical thinking, and overall intellectual growth among young learners.

The examination was conducted on 01.02.2026 at Kongu Matric Hr. Sec. School, Uthukuli, Tirupur

Our enthusiastic participants approached the examination with confidence and curiosity, reflecting their commitment to continuous learning beyond the classroom. Such platforms not only test knowledge but also inspire students to stay informed and think critically about the world around them.

We appreciate the efforts of all the students and encourage them to keep striving for excellence.

SPIRITUAL VISIT – AVINASHI TEMPLE

As the Class X and XII Board Examinations approached, students visited the sacred Avinashi Lingeshwarar Temple on 6 February 2026. The visit provided a moment of reflection and prayer as students sought blessings for success, confidence and clarity during their examinations.

The spiritual visit brought calmness and renewed confidence to the students before their important academic milestone.

Motivational Session

“Potential to Peak Performance”

**Success begins with
belief in one's own
potential**

Never Give Up!

A special motivational session titled “Potential to Peak Performance” was organised for Class X and XII Board Examination students on 7 February 2026 at the school campus. The session was delivered by Dr. Anand Kumar Krishnamurthy, High-Performance Coach, educator and founder of CHISEL (Carve Yourself). During the two-hour interactive session, students learned powerful strategies to enhance focus, strengthen memory, build confidence and approach examinations with a positive mindset.

**THE SESSION EMPOWERED STUDENTS
TO TRANSFORM THEIR PREPARATION
INTO CONFIDENT AND EFFECTIVE
EXAM-DAY PERFORMANCE.**

CCA Felicitation Programme

**EVERY TALENT DESERVES
RECOGNITION AND ENCOURAGEMENT!**

The CCA Felicitation Programme held on 26 February 2026 celebrated the achievements of students who excelled in various co-curricular activities. The programme recognised the dedication, creativity and enthusiasm displayed by students across diverse fields.

**The event motivated students to
continue exploring their talents
and striving for excellence.**

CRECIMIENTO HIGHER SECONDARY GRADUATION DAY

The Higher Secondary Graduation Ceremony – Crecimiento was celebrated on 30th March, 2026, with pride and joy as students marked the successful completion of an important chapter of their academic journey. The occasion was graced by distinguished alumna Dr. Indhupriya as the Chief Guest, whose inspiring presence added great significance to the event.

The ceremony celebrated achievement, inspired aspirations and marked the beginning of new horizons for the graduating students. Main These meaningful experiences reflect our institution's commitment to nurturing not only academic excellence but also cultural awareness, global outlook, confidence and character among our students.

**EVERY ENDING MARKS THE
BEGINNING OF A NEW JOURNEY!**

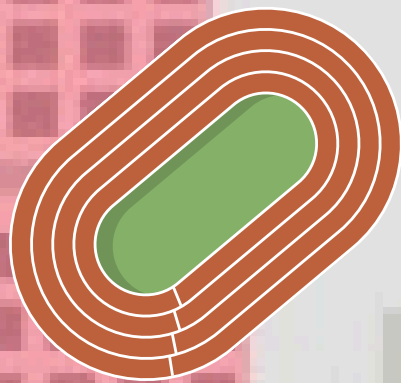

T.E.A. INFRASTRUCTURE

T.E.A. Infrastructure Where learning meets excellence, our campus stands as a symbol of vision, space, and opportunity.

We have many remarkable amenities that truly define our institution. Our sprawling 30-acre campus, set amidst picturesque surroundings, provides an ideal environment for holistic learning.

We proudly boast of a full-fledged international 400 m eight-lane athletic track, designed to nurture sporting excellence.

T.E.A. INFRASTRUCTURE

Our transportation facility is safe and efficient, with 14 buses operating across Tirupur, Avinashi, and Coimbatore, equipped with GPS tracking and surveillance cameras.

At T.E.A., infrastructure is not just about buildings—it is about building futures.

We take pride in our well-equipped laboratories for Physics, Chemistry, Biology, and Computer Science, along with state-of-the-art technical facilities. Our well-stocked libraries cater to both Matric and CBSE streams, fostering a culture of knowledge and research.

Pantry / Dining Halls

Nourishing young minds begins with nurturing healthy bodies.

A healthy mind resides in a healthy body!

With immense pleasure, we share that our Smart Kitchens, established at a cost of over ₹2 crores, ensure the highest standards of hygiene and quality.

We also have dedicated dining halls for Senior, Junior, and Kindergarten students in both the Matric and CBSE streams.

Our school earnestly strives to provide only the best—serving nutritious lunches, fresh fruit juices, wholesome snacks, and health beverages every day.

Special attention is given to our little ones, with age-appropriate, healthy baby food for Kindergarten students.

Because every great learner deserves the strength of wholesome nourishment.

Games & Sports

Play, passion and perseverance

—where champions are shaped every day.

Enjoy the game and chase your dreams—because today's accomplishments were yesterday's impossibilities!

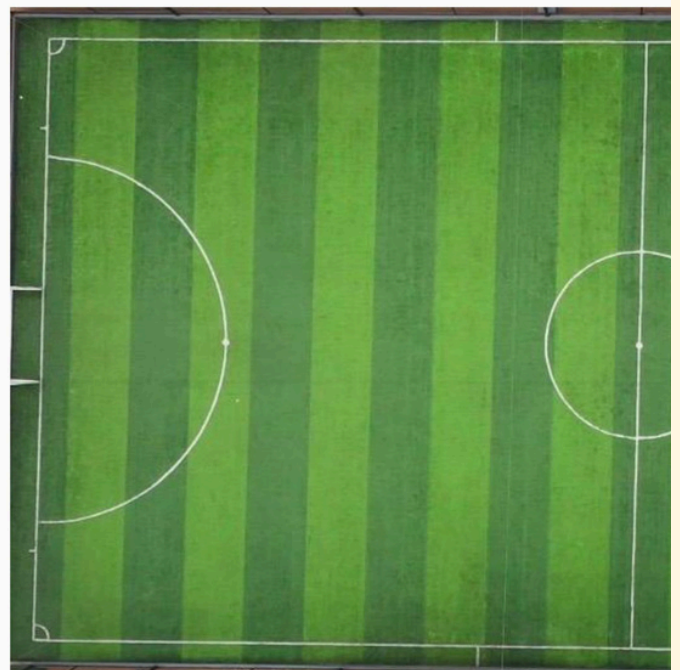

Our students are always guided by the belief - I can do things you cannot, you can do things I cannot—together, we can do great things. They are empowered with a healthy and active lifestyle, with sports integrated into the curriculum.

We feature a 400 m international athletic track, 3 tennis courts, 3 shuttle courts, a synthetic basketball court, a foot ball turf and a full-fledged cricket ground with practice nets.

Matches are conducted in association with recognized cricket bodies. Students actively participate in diverse activities such as Skating, Basketball, Volleyball, Football, Billiards, Chess, Tennikoit, Shuttle, Tennis, and Cricket. Compulsory evening games from 3:00 to 5:30 pm ensure consistent physical engagement.

PLAY

We also conduct Yoga and mindfulness sessions on Wednesdays and Thursdays, promoting balance of mind, body, and soul. Our Managing Trustee strongly emphasizes the importance of sports in shaping character—instilling team spirit, confidence, resilience, and life skills.

Introducing such activities from an early age helps nurture future leaders with strong values and holistic development. At T.E.A., every playground is a stepping stone to greatness.

In-Service Training for Teachers

A teacher who keeps learning ignites a lifetime of learning in every student.

Good teachers become great teachers by going beyond the call of duty and beyond textbooks.

At T.E.A., our educators are lifelong learners who continuously upgrade their knowledge and skills.

For an educator, learning never ends!

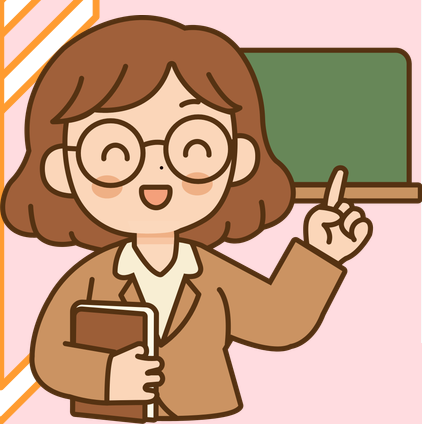

Our teachers actively participate in periodical conferences, workshops, orientation programmes, seminars, in-service training sessions, and continuing education programmes—both subject-specific and interdisciplinary. These platforms expose them to innovative teaching methodologies, emerging educational trends, technology integration, and student-centric practices.

The best teachers are lifelong learners!

Through these enriching experiences, our faculty bring fresh perspectives into classrooms, making learning more engaging, relevant, and impactful. Their dedication not only enhances academic excellence but also inspires students to dream big and achieve with confidence.

Empowered teachers create empowered learners—and at T.E.A., learning never stops.

Go Green – Club Activities

The Earth is what we all have in common—let us protect it together.

***Small Steps, Big Impact –
Together for a Greener Tomorrow
Nurturing Nature: A Year of Green Practices***

A
GREEN
planet
IS A
CLEAN
PLANET

The T.E.A. Go Green Department has been instrumental in shaping eco-conscious and responsible citizens through a series of thoughtfully designed initiatives aligned with government sustainability guidelines.

Throughout the academic year, monthly theme-based activities were conducted to promote environmental awareness, conservation practices, and sustainable living among students and staff. These included tree plantation drives, waste management campaigns, water conservation awareness, eco-club projects, and green audits.

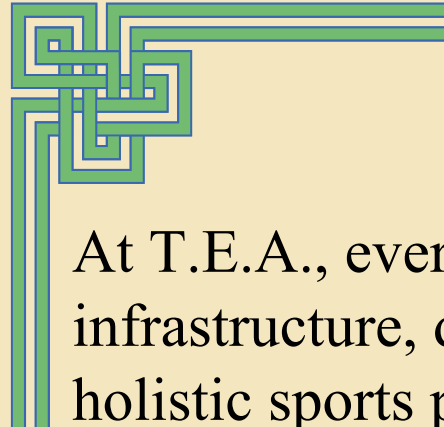

Our campus proudly shelters nearly 1270 trees, creating a serene and eco-friendly environment that enhances both learning and well-being. Students actively participate in maintaining this green cover, fostering a deep sense of responsibility towards nature.

**Together, we grow not just as learners—
but as guardians of our planet.**

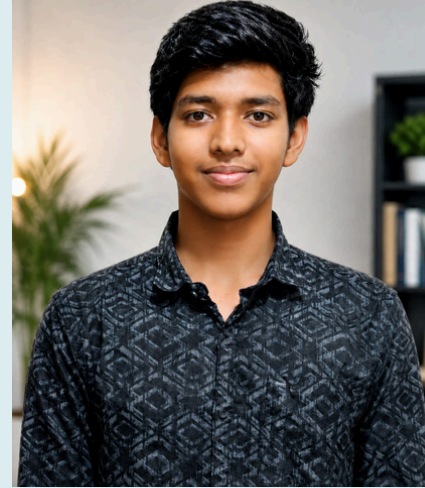

At T.E.A., every initiative—be it state-of-the-art infrastructure, dedicated teacher development, holistic sports programmes, or meaningful green practices—reflects our unwavering commitment to excellence in education. We strive to create an environment where students are not only academically accomplished but also physically active, emotionally balanced, socially responsible, and environmentally conscious.

Together, with the support of our passionate educators, visionary leadership, and vibrant student community, we continue to nurture young minds into confident individuals and future leaders ready to make a positive difference in the world.

At T.E.A., we don't just educate—we inspire, empower, and transform.

I am P.K.P. VISHAL SAI,
a student of Standard XI at T.E.A Public School.
I was privileged to secure an extraordinary
opportunity to visit ISRO after emerging
victorious in the prestigious “NATIONAL SPACE
QUIZ” conducted by Sri Sakthi Institute of
Science and Technology.

Selected among 200 participants from across
Tamil Nadu, felt deeply honoured to be
recognized as one of the
distinguished winners.

The ISRO expedition was scheduled for
January 11, 2026. In the early hours of the day,
I reported to the institute, from where we
embarked on our journey from Coimbatore to
Chennai by air, following breakfast. We arrived
in Chennai at approximately 10:40 AM.
Subsequently, we visited a nearby mall, which
provided a pleasant avenue to interact and
establish rapport with fellow students from
various institutions, after which we
partook in lunch. Thereafter, we proceeded to
Tada for the principal event, a journey that
spanned more than half a day.

Upon reaching the destination, we visited the space station and its adjoining museum, where we keenly observed the intricately designed rocket models displayed there.

Subsequently, we proceeded to witness the principal event—the EOS-N1 (Anvesha) satellite launch—scheduled at approximately 10:20 AM. As the countdown commenced from ten and descended steadily, my heartbeat accelerated with an intensity that made me feel as though I were part of the launch itself. In those electrifying moments, I finally beheld the rocket ascend majestically into the sky, a sight I witnessed with my own unaided eyes, leaving me in profound awe. Following the culmination of this remarkable event, we returned to our bus and commenced our journey back to Coimbatore, carrying with us memories of an experience that was both exhilarating and unforgettable!!

***THE POWER OF THE PEN LIES IN ITS ABILITY TO
INSPIRE CHANGE AND GIVE VOICE TO IDEAS.***

**We are delighted to share that Mrithika N, a student of
Class IX, brought laurels to our institution by
participating in the INTACH Article
Writing Competition.**

**She was awarded the Best Entry for her outstanding
article on the theme “Mountains at Risk” & The fading
beauty of the Nilgiris (January – March 2026).**

**Her insightful and thought-provoking write-up not only
earned recognition but was also published in the
official magazine.**

**This remarkable achievement reflects her creativity,
awareness, and commitment to meaningful expression.
We congratulate her on this success and wish her many
more accomplishments in the future.**

**T.E.A Public School, Tirupur proudly celebrates
her achievement!**

FRIENDS OF
HERITAGE

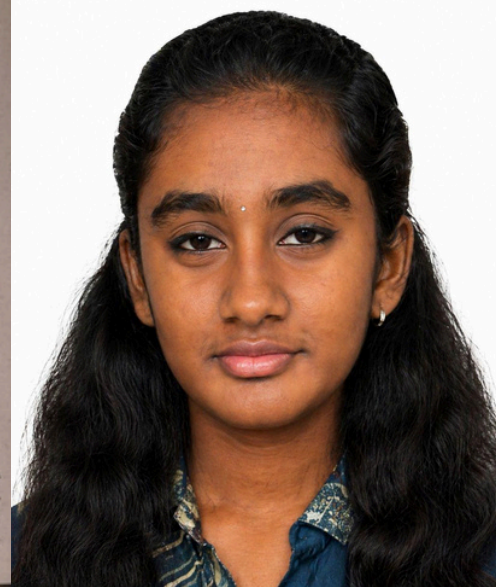

This is to certify that MRITHIKA.N
of T.E.A PUBLIC SCHOOL, TIRUPUR
participated in MOUNTAINS AT RISK (January- March 2026)
and was awarded the prize for BEST ENTRY

Purnima Datt
Principal Director

Heritage Education and Communication Service
Indian National Trust for Art & Cultural Heritage

Dated: 20.02.2026

WHEN WE SERVE CULTURE AND KNOWLEDGE, WE SERVE THE SOUL OF OUR SOCIETY.

We are proud to share that our teachers and the Principal actively participated in the Government-organized Kuralaasiriyar Maanaadu, held on 20.01.2026 at the Tirupur Government Medical College.

As part of this prestigious event, our team enthusiastically volunteered and contributed to the smooth conduct of the programme.

A special highlight of their involvement was the preparation of 40 creative stick flags for the Thirukkural word-ordering puzzle competition, promoting the richness of Tamil literature in an engaging manner.

The event was graced by eminent dignitaries including the Tirupur District Collector, Mayor, Minister of Human Resource Management Department, and distinguished representatives from the Tamil Development Department, along with members of the News Department.

Our institution takes immense pride in being a part of such a meaningful initiative that celebrates heritage, language, and collaborative service.

SPORTS ACHIEVEMENTS

Aryan — a dynamic and well-rounded achiever has excelled in academics, sports, yoga, martial arts, and basketball. A district runner-up, zonal champion, state-level yoga participant, violet belt in karate, and a state basketball representative, Aryan truly embodies leadership, discipline, and sporting excellence.

Akshaya — a dedicated tennis player has consistently shone at the district, zonal, and state levels, securing multiple titles in singles and doubles and proudly representing the state in SGFI Lawn Tennis.

Danu Magilan — is an accomplished badminton player, district winner in Boys' Doubles for two consecutive years, a state semifinalist, and a CM Trophy semifinalist, showcasing remarkable consistency and determination.

Mithul — a promising tennis player whose strong performances at the district level, including a district title in doubles and a runner-up position in singles, have earned him qualification to the state level.

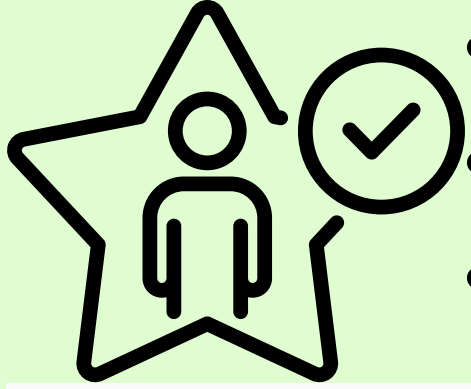

Siddharth — an outstanding tennis talent who rose to become the District and Zonal Level Winner and proudly qualified for the State Level through consistent excellence.

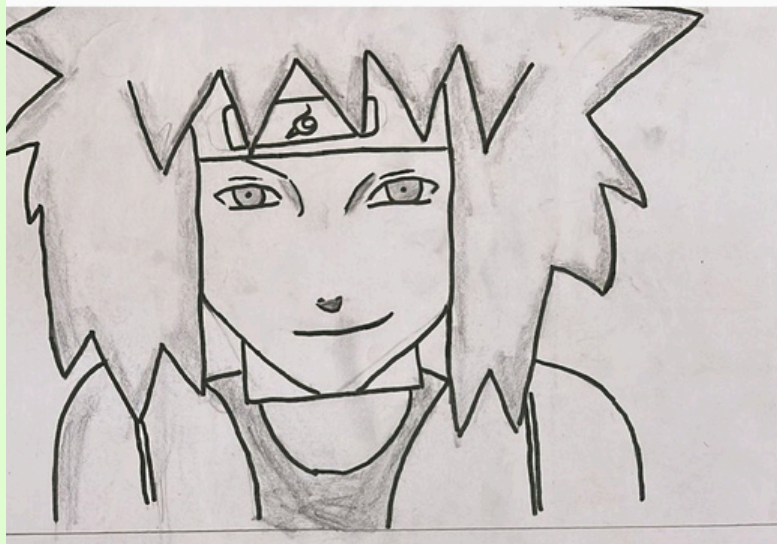

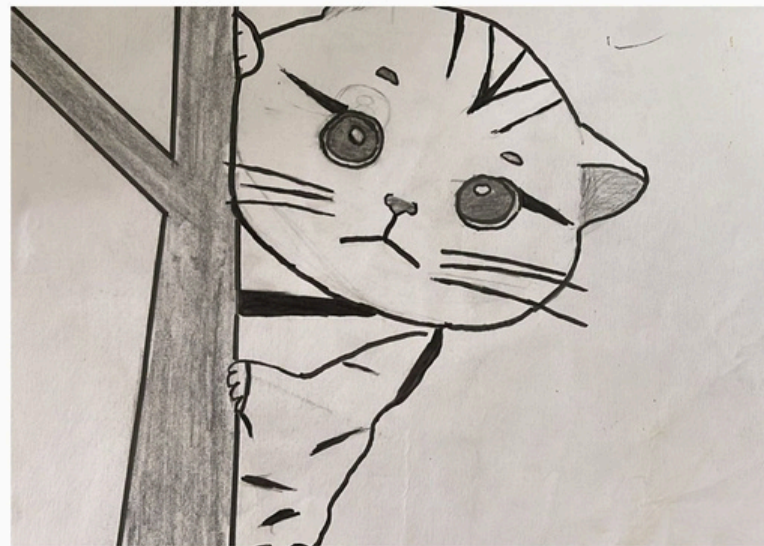

Deva Dharshini — a committed cricketer who has represented the district for two consecutive years, earned selection to the State Team twice, and achieved SGFI selection, reflecting her passion, perseverance, and sporting spirit.

T.E.A.'S GOT TALENT

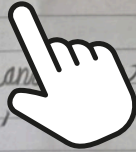

Beauty of Nature

Nature is a gift to all living thing
Nature is made of everything we see
around us. The radiant rivers, the
shining valleys, huge mountains, blue
Ocean, the sun, the moon, beautiful
trees, flower, beautiful birds, animal
the rain, and the list is non ending.
The beauty of nature is somehow
immortal, infinite and eternal. Nature
is beauty and beauty is nature.
Human being depend on nature to
stay alive, life possible because of
Nature. Everything we do is depend
on nature. Nature is a unique blessing
to us. We must not involve in an
activity that would diminish its
beauty. Nature is one of the
greatest blessing for human
beings

JOKES

A Man goes to the doctor and says,
"DOCTOR, wherever I touch, it hurts."

The doctor asks,

"What do you mean?"

The man says, "When I touch my shoulder, it really hurts. If I touch my knee - OUCH! WHEN I touch my forehead, it really, really hurts."

The doctor says,

"I know what's wrong with you
you've broken your finger!"

SCIENCE FACTS

- * Light from the sun takes 8 minutes 20 seconds to reach Earth
- * A human body contains 37.2 trillion cells
- * The Amazon rainforest produces 20% of the world's oxygen
- * A single lightning bolt is five times hotter than the surface of the sun
- * There are more stars in the universe than grains of sand on Earth
- * Octopuses have three hearts
- * There is enough DNA in the human body to stretch from the sun to Pluto - 17 times
- * Bananas are naturally radioactive
- * A day on Venus is longer than a year on Venus

S.K. Shrivastava

Poem

MAKE IT GREEN

Lives are crying because it's not clean,
Earth is dying because it's not green -

Earth is our dear mother don't pollute it,
She gives us food & shelter, just salute -

with global warming, it's in danger,
Let's save it by becoming a strong ranger

with dying trees & animals, it's in sorrow,
make green today & green tomorrow -

with melting snow, one day it will sink,
How can we save it,
just think -

Trees are precious, reserve them,
Water is a treasure, reserve it -

Grow more trees, make Mother Earth greener
Reduce pollution & make her a Queen -

Word of Gratitude

As we successfully complete this academic year, we express our sincere gratitude to the Managing Trustee, Director, Principal, Teachers, Parents and Students for their continuous support and dedication.

The year was filled with learning, achievements and holistic growth!

May we continue to move forward together with greater enthusiasm and success in the coming year!

Together we learned, achieved and grew stronger!
